INDEPENDENT AUDITOR'S REPORT

To the Shareholders of Singer Finance (Lanka) PLC

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Singer Finance (Lanka) PLC ("the Company"), which comprise the statement of financial position as at March 31, 2021, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes comprising a summary of significant accounting policies and other explanatory information set out on the financial statements.

In our opinion, the financial statements give a true and fair view of the financial position of the Company as at March 31, 2021, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Company financial of the current period. These matters were addressed in the context of our audit of the Company financial statements and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Impairment allowance for loans and advances and finance lease receivables | | | |
|--|---|--|--|
| Refer Note 17 to the financial statements and the accounting policies in Note 3.25 to the Financial Statements. | | | |
| Risk Description | Our Responses | | |
| At 31 March 2021, 85% of its total assets of the Company consisted of loans and advances and finance lease receivables totaling to Rs. 21.1 Bn., net of impairment allowance of Rs. 1.18 Bn. | Our audit procedures included the following: | | |
| The determination of impairment allowance using the expected credit loss model is subject to a number of key parameters and assumptions , including the identification of loss stages, estimates of probability of default, loss given default, macroeconomic forecasts, exposures at default and discount rate, adjustments for forward looking information and other adjustment factors. In particular, the determination of the loss allowance is heavily dependent on the external macro environment and the Companies internal credit risk management strategy. Management judgement is involved in the selection of those parameters and the application of assumptions. The COVID-19 pandemic has meant that assumptions regarding the economic outlook are more uncertain which, combined with varying government responses, increases the level of judgement required by the Company in calculating the ECL, and the associated audit risk. | Understanding and assessing the design, implementation and operating effectiveness of key internal controls over the approval, recording and monitoring of loans and advances and finance lease receivables, and the measurement of provisions for impairment. | | |
| | Assessing the reliability of the expected credit loss model used by management in determining loss allowances, including assessing the appropriateness of the key parameters and assumptions in the expected credit loss model, including the identification of loss stages, probability of default, loss given default, exposure at default, discount rate, adjustments for forward-looking information and other management adjustments and assessing the reasonableness of key management judgement. As part of this work we assessed the reasonableness of the Company's considerations of the economic uncertainty relating to COVID-19; | | |

| | |
|---|---|
| We identified the impairment of loans and advances and finance lease receivables as a key audit matter because of the inherent uncertainty and management judgement involved and the materiality of the reported amounts for loans and advances and finance lease receivables (and impairment allowance thereof). | Evaluating the model methodology and key assumptions by testing the completeness and accuracy of key inputs into models and assessed the appropriateness of other assumptions. We substantially tested the completeness and accuracy of key inputs into models and assessed the appropriateness of assumptions, particularly in light of the extreme volatility in economic scenarios caused by the current COVID-19 pandemic and government responses. |
| | Recalculating the amount of credit loss allowance for samples of loans and advances and finance lease receivables to verify the calculation accuracy of the credit loss allowance. |
| | Working with our own internal specialist, we assessed the reasonability of the adjustments made by the Company to the forward looking macro economic factors and assumptions used in the ECL model. |
| | We involved our IT specialists to assess the logic and compilation of the overdue information of loans and advances, finance lease receivables and hire purchase receivables. |
| | Evaluating whether the disclosures on impairment of loans and advances and finance lease receivables meet the disclosure requirements of the prevailing accounting standards. |

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SLAuSs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion of the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with ethical requirements in accordance with the Code of Ethics regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by section 163 (2) of the Companies Act No. 07 of 2007, we have obtained all the information and explanations that were required for the audit and, as far as appears from our examination, proper accounting records have been kept by the Company.

CA Sri Lanka membership number of the engagement partner responsible for signing this independent auditor's report is 1224.
