TERMS & CONDITIONS OF DEPOSITS

(2) Payment of Interest :

Interest can be earned monthly, or accrued at maturity at the option of the depositor. There is also the facility for interest to be paid to a payee nominated in the application and in the case of joint depositors, to any such joint depositor, as designated in the application. Interest will be accrued at simple rates and shall be calculated and paid only at the end of the term for fixed deposits where interest is payable at maturity.

(3) Withdrawal :

Deposits for fixed periods cannot be withdrawn pre maturely. However in special cases withdrawal of such categories of deposits will be considered on receipt of one month prior notice as the case may be or a lesser period as it deems fit. This shall however be subject to Company's discretion and right to accept or reject such notice. In the event of the deposits or any part thereof being withdrawn prior to maturity a reduce scale of interest will be applied depending on the period of deposit. Any excess interest, already paid to a depositor shall be recovered by the Company. The Company therefore shall be entitled to deduct the said excess payment from the capital held in deposit. The depositor will be required to surrender the deposit certificate with the endorsement on the reverse to obtain payment of the principal and the accrued interest if entitled to depending on the period the deposit has been with the company.

(4) Temporary Refunds :

Depositors could obtain temporary refunds (loans) against their deposits up to maximum of 70% of the capital held in deposit. Such refunds will be subject to an all inclusive service charge 5% per annum above the rate of interest applicable on the deposit. This facility shall be at the discretions of the Management and the Company reserves the right to vary the service charge levied on temporary refunds at any given time.

(5) Renewals :

In the event, no notice of withdrawal is received by the Company prior to the maturity of a deposit such deposits inclusive of interest will be automatically renewed for a further period and treated as a fresh deposit subject to the terms & conditions prevailing at the time of such renewal.

(6) General :

- A deposit certificate shall be issued in respect of each deposit encashable by Heirs, Executor, Administrators and/or Assigns of the depositor. Deposit certificates are not transferable by endorsement. In the event of either a premature withdrawal or temporary refund (loan), it is an essential pre-requisite for all depositors to sign the relevant document, (i.e. in case of joint accounts) notwithstanding any provision made on the application for either party to operate a deposit.
- A nomination on a joint deposit shall take effect on the demise of either depositor. However if specific instructions are given for the release of funds without the consent of nominee/s the joint depositors shall indicate so with their signatures provided in column 'D' of the deposit application
